

### **Bespoke Cocktail Experience**

*This experience gives guests a little history into our past, present and future and showcases some of the best of the best of what we have to offer.*

#### ***Plush Port Punch***

Made with port, cachaca, lemon, “bomb pop” black tea, nutmeg, clarified with milk  
Will talk about the history of punch and our signature punch that dates back to the 1700’s. (We ladle the punch out of our punch bowl into antique punch glasses, but guests can also help themselves.)

#### ***Mini French 75***

Passed mini cocktail. Made with the salted citrus cordial (made from leftover citrus husks). Walk through the creation of this cocktail (during WWI) and the Howitzer 75. Talk about the importance of sustainability and how this cocktail uses items that would normally get thrown away.

#### ***Queen Bee***

Passed mini cocktail: Mini glasses of our signature “Queen Bee” cocktail, a riff on a classic Prohibition cocktail. (The classic Bee’s Knees was created about 10 years after the Garden Bar house was built.) We discuss the historical significance of this drink, how and why it was created and our little twist on it.

#### ***Kilroy Was Here***

Passed cocktail: (only cocktail that is normal sized) A signature cocktail named after the Irish [Kilroy Family](#) that lived in our house from the 1940’s – 1970’s. We tell their story of how they connected to us and shared their family reunion at the Garden Bar. Made with Teelings Irish whiskey, black tea, peach, muddled lemons and mint – shaken and served over a large ice rock stamped with “KILROY”.
